Peter Macdonald
V.
Strafford County Superior Court, et. AL.
Judge Howard, Judge Nadeau, Town of Lee NH

Motion for Judgment in Plaintiff's favor as the Defendants are in Default

Peter Macdonald tells this court that as of this date 1/29/19 the Defendants (SCSC, Judge Howard, Judge Nadeau and the Town of Lee NH) (or/through their Attorneys) have not responded (in a timely manner or at all as of this date today) to the complaint of Peter Macdonald filed on or about December 3, 2018. The Defendants no response would imply that the Defendants agree that the complaint is true and that they agree with the complaint and there is no defense to put forth to justify their actions that produced the complaint. Peter Macdonald has a right to practice his religious faith (on land Peter Macdonald's church owns, Long standing church started and in continuous service since 1980, Registered with the Federal Government, Registered with the NH government, NH Better business bureau, NH Attorney General, and the IRS, Plus is a 501-c-3 non-profit to help Homeless Combat veterans find God)(Peter Macdonald is an ordained Minister since 1980) Religious services are held almost daily) with out government interference. Government is here to serve the people. The Defendants in this case (can or have) claimed no justifiable reason for Peter Macdonald not to practice his religious faith on land zoned for a Church. Peter Macdonald is a 100% service connected combat related disabled U.S. Marine. The Defendants were/are from the beginning of this case aware of Peter Macdonald's disabilities and are doing actions to harm/or take advantage of said disabilities in violation of the Americans with disabilities act. Many of the Congregation of Peter Macdonald's church are disabled combat veterans that the Defendants appear to not want in Lee NH as the Defendants actions demonstrate. The Religious land Use Institutionalized Persons Act was written in the year 2000 to stop such government actions as documented in this case (for using zoning to stop a religious faith is a crime) (This land Peter Macdonald's church) is zoned for a church. The Deed to this property so states that the Land must be used for the religious practices of U.S. Military Veterans. Discrimination (to single out Peter Macdonald and/or Peter Macdonald's church) is to allow all other church's to use said property in question here but not Peter Macdonald. Separation of Church and State is a part of the US Constitution that this or no court can neglect or violate. The Plaintiff hopes and prays that this court rule in the Plaintiff's favor and grant as so asked.

a. That Peter Macdonald's Church VRC is legally recognized by Lee and the State of NH as a church.

- b. That the VRC be allowed to practice our religious faith on our land at 101 Stepping Stone Rd Lee NH for ever more with the court and God's blessing.
- c. That the Defendants in this case each pay twenty Million Dollars in damages and restitution for their sinful and wrongful action in this case to the Plaintiff.
- d. That if the court does not rule in the Plaintiff's favor completely the Plaintiff requests a Jury trial at the quickest date possible.
- d. And any other relief the court deems just.

Respectfully Submitted this 30 day of January 2019
